

# Core Learning in Mathematics

## Addition:

Combining sets to make a total  
Steps along a number line (counting on)  
Add  
Increase  
Plus  
More  
Altogether  
Total  
Sum

## Subtraction:

Taking away  
Finding the difference  
How many more to make...  
Minus  
Difference  
Decrease  
Take away  
Less than  
How much more is...  
How much more than...  
How many more are left  
How much less is...

## Multiplication:

Times  
Product  
Lots of  
Double  
Multiple of  
Groups of  
...times as (big, long, wide)  
Repeated addition

## Division:

Sharing equally or repeated subtraction  
Share by  
Equal groups of/in  
Divide  
Halve  
One each, two each  
Left over  
Of  
Remainder  
Divisible by  
Quotient  
Factor  
Chunking
